**Re: Enforcement of the United States Department of Justice Procedures In Acknowledging
Torture, Hate Crime Administrations and a Documented Conspiracy Against Rights Criminal
Complaints**

Dear Mr. Kappelhoff and the Above Noted Public Officials:

My name is Miriam Snyder. I write this letter with respect to 3 verified criminal complaints I sent to the United States Department of Justice Civil Rights Criminal Section regarding horrific, inhumane, torture, hate crimes, and a documented and deadly conspiracy against rights name aligned to Serial Killer Boyden Gray, acting in and name aligned with many fraudulent and conflict of interest capacities, including Chief Legal Counselor of the US Department of Justice. Please see the complaints here:

<http://prayerwarriorsneeded.googlepages.com/INTERNALAFFAIRSAPRIL2009WITHPOSTALS.pdf>

and

<http://mirsnv.googlepages.com/FINAL2SATURDAYUPDATESERIALKILLERBOYD.pdf>

I seek acknowledgement of the verified criminal reports as articulated in the US Department of Justice Civil Rights Division Investigation procedures manual posted here in Section B

Acknowledge the complaint: <http://www.usdoj.gov/crt/cor/Pubs/manuals/complain.php>

The following certified mail criminal complaints were sent to this office as identified below:

1. **Certified Receipt Number: 7007 1490 0004 8573 7123.** The return receipt was signed by Ernest Parker on April 15, 2009.
2. **Certified Receipt Number: 7007 0710 0002 1842 6199** dated April 1, 2009
3. **UPS package Content: Letter, sent April 22, 2008 Tracking Number 1Z4R26630219793225**

I simply request what the above noted US Department of Justice manual was created for, to advance justice, order and procedure via letting the complainant know that you have the correspondence and are working on it.

The specific wording states: We suggest that you acknowledge the complaint within **15 days** of receipt with a simple letter stating that the correspondence has been received and is being reviewed for jurisdiction.

Please note many innocent Americans and I have suffered relentlessly and immensely by the documented torture, hate, income blacklisting, conspiracy against rights and criminally insane crimes noted in my criminal complaints. The crimes continue up to today and must be stopped. Please note my senior citizen father who worked hard all of his life was recently criminally inoculated with serial killer Boyden Gray's Bird Flu concoction. This could have killed him. But God! Since such, the same doctor who injected him is trying to coerce an operation for my father. The money payments have been made via the criminal injection was inflicted.

Consequently, both the doctor and serial killer Boyden Gray need an audience as my family will not continue to be targets, suffer and or be disguised killed behind Serial Killer Boyden Gray's documented revenge, hate crime administration and his name aligned human research obstructions advanced by greedy doctor money laundering and the United States Justice department office of legal counsel criminal usurpation, continued criminal directives and blind eye. The blind eye will and must be opened on behalf of human life.

Under the Bush administration, these documented attempted disguised murder acts were ignored. This will not and cannot continue under the disguise of law.

Please add the below documented name aligned human experimentation torture crimes in the below web pages to the record. I seek the immediate arrest of Regional and Serial Killer Boyden Gray and all other criminals involved in these nationwide crimes against humanity. It is time to retake this earth from demonic forces, specifically, retake this earth from criminals using money laundering to usurp the authority we the people have over criminals.
